

## QUUF Rental Affirmation

In order for QUUF to be sure it retains its state exemption from paying property tax, it needs to abide by certain restrictions on rentals. The questions below help screen out rentals that are inappropriate or might endanger our tax exemption. We want to avoid renting to commercial, for-profit events. Please understand our need for the following information. If you do rent our facilities, this form will be kept on file at the church for several years.

To be eligible to rent our facilities, you must be able to answer YES to question 1.

1. Is this event a community strengthening event, or an event that furthers a social objective, advances the general welfare, or promotes the vision of QUUF? \_\_\_\_\_

To be eligible to rent our facilities, your rental must be for a non-profit event. If you are a non-profit corporation or a school, we assume your rental will be a non-profit event (correct us if that is incorrect).

2. Is the renter a 501(c)(3) tax-exempt non-profit group? \_\_\_\_\_
3. Is the renter a registered Washington non-profit corporation or a school? \_\_\_\_\_

If the renter is a for-profit corporation registered either in Washington or another state, we unfortunately cannot rent our facilities to you

4. Is the renter a registered for-profit corporation? \_\_\_\_\_

If the renter is not a corporation, we need to know if this event is a non-profit event.

5. We understand that the renter is not a corporation. A non-profit event can compensate those who participate, but the compensation should not be excessive. It should be comparable to compensation for similar work in other contexts. Is this rental for a non-profit event? \_\_\_\_\_
