

## What to do when you hear the FIRE ALARM:

1. Exit away from fire and smoke

2. Walk/Roll in a calm, quiet, orderly manner

3. Go quickly to the nearest exit

4. Once outside—go to **one** of the **4 ZONES** and stay until the drill is completed. There will be HELPERS at each zone.

5. Please don't stop or detour to collect your personal belongings or re-enter church buildings to look for relatives, friends or children.

6. Once the drill is over, you are free to gather your personal items and collect your children at Zone 3 or RE.
